

# Netherby Playgroup 2025

A Warm Welcome to Netherby playgroup for 2025 😊

Playgroup is a wonderful way for your child to become familiar with the kindergarten environment and our educators. Building relationships with educators supports a smoother transition into the kindergarten program. **We encourage outdoor play during this session and suggest families dress accordingly (eg SunSmart for warmer days and layers for winter).** We place a high value on this space with a huge sandpit with water pump, mud kitchen, bush garden to explore, cubbies, climbing equipment and so much more.

This is also our wonderful transition time for children who will be attending Netherby Kindergarten for their kindergarten year.
